AMENDMENT AFTER NOTICE OF ALLOWANCE
UNDER 37 CFR 1.312

Dear Sir:

This is in response to the Notice of Allowance and Issue Fee Due mailed April 20, 2006. Applicant appreciates the efforts made by the Examiner to put this case in condition for allowance, and the Examiner's Amendment that was provided. Applicant noticed during review of the Examiner's Amendment, that the dependency numbers in

claims 9 and 30 may have been improperly identified during the renumbering process. Namely, in claims 9 and 30 it was proposed to "change "7" to -13--" (a copy of the Examiner's Amendment, page 2 is provided for ease of reference). However, both claim 9 and 30 depend from claim 8. A minor clarification to the Examiner's Amendment is respectfully requested, such that the appropriate changes will be made during publication. Such a clarification is shown on the attached.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "CH Hunter", is written over a horizontal line.
